# WHAT WE DO

## WINE DINNERS

Entertain top clients or your executive team at your office or in a private setting at a fine restaurant. We'll provide the wines to pair perfectly with the cuisine and your desired ambiance, from a festive array of Champagnes to the world's finest Burgundies, presented with our expert white-glove wine service.

## TASTINGS

Make your next party a Pressoir Tasting. Our expert team of sommeliers will select and present six, a dozen, or more wines to enhance your guests' experience. Tailor the theme to your preferences, whether you like to drink Old World or New.

## SEMINARS

Take advantage of the knowledge and experience of the Pressoir team through a fun and educational seminar. Whether your guests are beginners looking to learn the difference between Burgundy and Bordeaux or advanced collectors looking to brush up on their Rhône vintages, Pressoir will create a memorable and valuable experience for your guests.
